***Dear Readers***, well it's the 4th of July so all you Americans out there should be celebrating your independence day, (from us). The only interesting fact I can think of about America is that over 80% of the population live within 30 miles of the coast, so yes there really is vast areas where you won't see anybody.

Anyway I hope you all enjoyed the new coloured NewsLink, this was not a one off edition it's here to stay. Thanks go to Terry Southcott for doing all the necessary work for organising the new printer, and doing all the paperwork required. The only thing this thing can't do is make your dinner, but I have probably got that wrong as well.

I have been asked by the esteemed chairman of the Victory Hall to say something about the up and coming produce show at the end of August. We realise that the weather has been difficult for all you flowers and veg growers but it is not necessarily about having the biggest and the best, it's about having a bit of fun with your fellow competitors, and if all else fails gentlemen and Bob Holland there's always the men's cooking, which is always hotly contested. The chairman has already started practising making the sausage rolls and I am told their dog has lived through the experience poor thing. Schedules will be out soon, unfortunately the judges were not open to a bit of under the table bribery, I tried this approach last year and it got me nowhere. Best wishes to you all from your Hon Chairperson.

My friend has just got fired from working on the dodgems!. He is suing for unfair dismissal. See you next month when things should have calmed down a bit.

**Dear readers, since writing my rubbish at the end of last week, it was so sad and unexpected to hear about the passing of the Reverend Tim Deacon on Sunday the 8th of July.**

**His monthly contribution to the link was always interesting and thought provoking, and those of us who attended his services through out the benefice were always the better for them. His friendship and humility to all he meet was a good guide as to how we should all live our lives, whether you are a believer or not, and he seemed to do everything with a smile and in good humour.**

**I shall leave it to the more eloquent of word to say more in the next edition but needless to say he will be greatly missed by everyone in and around the area.**

# Lewtrenchard WI,

July 2018.

The meeting began with a warm and sunny rendition of Jerusalem with all the windows and doors open trying to catch a breathe of air on an unusually hot Dartmoor summer's evening.

We paid tribute to the Reverend Tim Deacon who has sadly passed away, and acknowledged his contribution to our life here and how he will be missed.

After the minutes we were given a report on the NFWI AGM held at Cardiff from our fellow Lifton WI member Heather Major who was our voting representative. It was an amusing and informative report, leaving us with a clear picture of the day and its events.

Our guest speaker was Philip Rhodda of Rhodda's Creamery. He coped well with the lack of electricity and kept us interested and engaged for an hour with tales of Rhodda's through the years from its beginnings with his great grandfather in the 1800's.

They began as a farming family in the Cornish village of Scorrier with a few cows selling their cream at local markets. Philip's Grandmother treated guests to their cream which they loved so much they wanted to take home, to solve this she put the cream in sealed bottles which were put in hot water, this both clotted and sterilized the cream. The process used now is somewhat different as that did not produce the distinctive crust.

Being able to preserve the cream meant it could travel well and trade began with stores and dairy companies up country, with a great deal of business being done in London by the early decades of the C20th.

With the coming of the 2<sup>nd</sup> World War and rationing they were no longer permitted to make cream and so, to survive they diversified into turkeys and mixed farming. Philip throughout this talk emphasized the need to change and adapt to survive.

The farm land at Scorrier had originally been the site of a coal yard for the shipping of products from nearby tin and copper mines with the coal for transport coming from Wales by boat then horse and cart on a tramway line.

A few years after the end of the 2<sup>nd</sup> WW, in 1953, an order appeared from an old customer in London who enclosed a cheque which gave them enough working capital to start the cream business once again.

They have also used the skim milk byproduct which was dried at a series of local factories around Cornwall and Devon until recently when the last one closed down and the nearest is up in Westbury in Somerset. Deemed too much

of a distance the milk is used in the making of Ambrosia custard and rice pudding.

Philip also mentioned the EU and the benefits of being awarded Protected Designation of Origin for their clotted cream.

We were shown a range of products including cream, custard, crème fraîche and biscuits and shortbread. We were invited to take any from this selection with a contribution to local charities if we wished to.

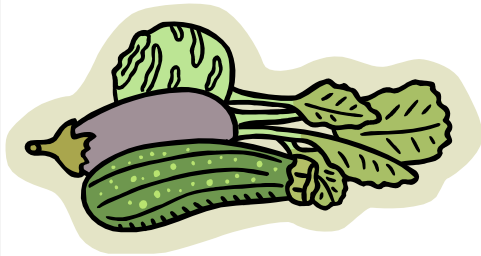

There was a good Q&A session showing the engagement of the members in Philip's presentation. Barbara Scott gave the Vote of Thanks.

WI Cream Tea is on Tuesday, 14<sup>th</sup> August, 3.00pm at the Victory Hall, Lewdown, admission £4.50 in support of the Devon Air Ambulance and the Lewdown Landing Lights.

Next meeting is Monday, September 10<sup>th</sup>, 7.30pm, Victory Hall, Lewdown. Guest speaker is David Bouch who will talk on Cotehele-The Making of a Christmas Garland.

All welcome.

Every year Police receive countless calls from concerned members of public regarding dogs that have been left alone in hot cars, most haven't even been left with a water bowl.

Please never leave your dog alone in a car on a warm day, the heat can become unbearable very quickly. Even leaving the windows open doesn't stop the car from heating up and any dog left inside the vehicle can become very hot and distressed and this can be fatal.

If you see a dog in distress in a hot car, dial 999 and ask for police. If you are concerned about the dog but do not believe it is in immediate danger you can call our non-emergency number, 101.

When it's 22 degrees outside, it can reach an unbearable 47 degrees within the hour inside a car.

Whether you're popping into the shops or going for a walk, please put the welfare of your dog first, surely nothing can be as important to you as keeping your pet happy and healthy.

## MARYSTOWE CHURCH

Churchwardens, Deborah Asbridge and Barbara Dawe would firstly like to thank Gladys Bennett and her family for kindly offering her late husband, Les's photos to be sold to raise money for Marystowe Church Funds.

The weather was glorious and everyone enjoyed themselves; many sitting outside in the sunshine chatting over their coffee and browsing through the second-hand books, sold to raise money for the church. The event was a great success, with friends and family members, villagers and parishioners from across the benefice attending. An amazing £623.61 was raised from the sale of the photographs and donations given for refreshments.

Deborah, Barbara and Gladys would also like to thank all those who gave their help on the day, especially the team of ladies, including 'friends of the church', who served refreshments throughout the day and to everyone who came along and so generously supported this event.

### **Leslie Bennett**

I would like to thank most sincerely all the people who came to the exhibition and sale of Les's photographs, especially Deborah who organised the whole event.

Also Barbara Dawe who organised the tea and biscuits, and the ladies who poured the tea and washed up. They were G Nobes, Carol Martin, Margaret Dunne, V Taylor and Lady Anita. Thankyou ladies. Must not forget Steven and muscle power!

The grand total raised for Marystowe Church was six hundred and twenty three pounds sixty one pence. A good time had by all.

Gladys Bennett

## **Visit to Dunterton church and site of the abandoned village *Tuesday 14<sup>th</sup> August***

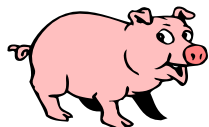

This is a follow-up to our talk in May entitled **Dunterton: a Plague village?** by Chris Burchell, from the Milton Abbot local history group. This time he will be showing us the evidence of a lost village and telling us about the history of the Church of All Saints, an ancient Grade 1 listed building. The brave and energetic may be able to climb the twisty stairs to the top of the tower!

We aim to meet outside Lewdown Post Office at 6.30pm in order to arrive at Dunterton in good time for a 7.00pm start and to share cars. To get there: from the direction of Tavistock, about two miles after passing through Milton Abbot, turn right into Dunterton Glebe (by the red letter box, and very close to the church) where there will be parking.

It would be helpful if you could let us know if you are coming (please phone 01566 783396). Meeting fee: £2 for members, £3 for non-members.

## **What a great year!**

As we said it has been a busy year and there have been some challenges but these have been dealt with positively and constructively. We have said some sad goodbyes to Miss Vincent and Miss Starmore but we have welcomed Mr Hudson and Mr Elliott into our school and it is amazing how quickly they settled in and became such a positive force in the team here at school.

Mr Hudson and Mrs McMorro have looked after the Reception class children beautifully this term and the children's progress and learning has been phenomenal! Next year we will welcome our new full time reception class teacher, Mrs Abbott-Bray, into school and I know that she is looking forward to getting to know you all and putting her stamp on the classroom.

The pre-school has been full to bursting for much of this year and numbers continue to be healthy in September which is amazing; a massive thank-you to the pre-school staff team and all of the families who support them.

Mrs Sutherland has completed her first year here in the school and now we do not know what we do without her, she is a fabulous teacher and always looks for ways to enrich learning for her class and the whole school. Mr Reeve has completed a further year with us and we are very pleased to have his calm and respectful teaching manner in our school and his support of sport in the school has been fantastic. For me it has been a busy and eventful first year as Head of School but a year I am very proud to have been part of.

We have a wonderfully supportive and committed team of Governors who work tirelessly to support the school to improve and develop. We have families who are positive and supportive but also give us constructive feedback which allows us the opportunity to improve what we offer to families and children.

We have a team of the most amazing support staff it is possible to have: teaching assistants who consistently give over and above to enhance learning, learning support assistants who always give their all to support children in their time in our school, catering and meal time staff who produce healthy, delicious meals and support children at break times and last but certainly not least, we have two administrators who do an outstanding job but also care passionately about the school and all who attend it and a very dedicated and hard-working Caretaker who runs the school with precision!

The most rewarding part of our job here in school is working with the most awesome group of children; they teach us something new every day and they show us the way in terms of being a welcoming and respectful school – thank-you for allowing us the privilege to work with some of the most amazing small people on the planet! With Thanks, Mrs Powell

## Summary of the main items discussed at the Ordinary meeting on Tuesday 3<sup>rd</sup> July 2018

Planning - Application reference 1480/18/HHO, 3 Portgate Cottages, Portgate, Lewdown  
Council decision - Support

Finance –

The RFO provided a copy of the report dated 3<sup>rd</sup> July. The reconciled bank balance showed a credit balance of £5604.89. Lloyds Bank additional signatories and correspondence address. - The mandate required two signatures for any changes that needed to be made. Former Cllr Baynes offered his assistance to enable the process to be completed with-out further complications. The council formally wishes to thank Mr Baynes for his help. New signatories for the Lloyds Bank account to include Cllr Bones and Cllr Hennessey, the new correspondence address that of the clerk is also being processed by Lloyds Bank. The council is unable to sign any cheques until all the amendments have been made.

Reports from councillors – Cllr Roberts observed that illegal advertising posters had been placed on roadside verges, the council does not condone such actions and would remove them when placed.

Report from Cllr Edmonds WDBC – WDBC were offering a ‘Summer Sale’ for its green waste collections. Bi-weekly collections from July – end September cost just £15.00 (usual annual cost of £40.00). WDBC – annual report came **under** budget. Greater use by the public of the website has had a result of a significant drop in telephone enquiries.

New General Data Protection Regulations.

Website compliance – The parish website has been updated by its website provider Vision ICT and is now compliant with the new regulations.

It was resolved that the council becomes members of the Information Commissioners Office (I.C.O). Registration has taken place. Annual subscription is £40.00 (£35.00 if paid by DD).

Councillors were provided with copies of the draft council Policy and Statement. It was resolved to accept both documents, proposed Cllr Bones, seconded Cllr Dunn.

Cllr Bones requested a dedicated email address. Cllr Dunn has a dedicated email address.

New Councillors – Council discussed recruitment of councillors. Two parishioners expressed an interest and received information. Notification of a vacancy has been placed on the website and notice-boards.

New Notice-boards - The council wished to thank Andy Nash for erecting and installing the new notice-boards, again his help within the parish is greatly appreciated.

Highways – Notice of road works from Long Parks to Harris Arms 9<sup>th</sup> - 13<sup>th</sup> August.

Newslink - It was resolved that the clerk would provide a summary of the council meetings.

New replacement to the Tapp fund – Cllr Edmonds provided a summary of the new fund called the ‘Communities Together Fund’. This is open not only to Town and Parish councils but also to local community groups and organisations. A different process to the TAPP fund for approval of a scheme does apply. Details of the C.T.F can be found on the WDBC website.

Items for inclusion at the next meeting -

Review of council funds and consideration of parish improvements.

**Car Run from the Forgotten Garden  
on Saturday 12<sup>th</sup> August. Meet at 10.30am.  
To be followed by barbecue open to everyone from  
12.30pm**

We are now preparing for a **Car Run** of some *unusual cars* where we intend for them to travel on a sedate country route with a coffee stop and a barbecue at the Forgotten Garden to finish by Lewtrenchard church. There is a small entrance fee for the run and the barbecue, which will be available to all who come to see the cars and garden at 12.30 – 2pm. All are welcome to come along for the barbecue and/or rally. Please let our Chairman know if you wish to enter the run by tel. 01566 783511 or email [gyeo@aol.com](mailto:gyeo@aol.com) so that we have an idea of approximate numbers that may be involved.

Keep on taking photographs of the Forgotten Garden for this year's **Photograph Competition** so that we can choose the best in the autumn giving us enough time to make a Forgotten Garden calendar for 2019. A small prize will be given to the winners in adult and junior (under 16years) categories. Entries should be sent to [wilkibg@gmail.com](mailto:wilkibg@gmail.com)
